

PRIVACY POLICY

I care about your privacy and security of each of my readers. I monitor activity on the website to better provide services to you and other readers. I do not sell any of your information to others, and your information will only be used for Creation by Kara's purposes.

While I work to protect the security of your content, I cannot guarantee that third parties will not be able to defeat my security measures. You acknowledge that you provide your information at your own risk. I use third-party advertising companies to serve ads when you visit my Web site. These companies may use information (**not including** your private information such as name, address, email address or telephone number) about your visits to this and other Web sites in order to provide advertisements about goods and services of interest to you. If you would like more information about this practice and to know your choices about not having this information used by these companies, please see: http://www.networkadvertising.org/managing/opt_out.asp

My site may use "cookies" to enhance user experience. A user's web browser places cookies on their hard drive for record-keeping purposes and sometimes to track information about them. Cookies allow the ad server to recognize your computer each time they send you an online advertisement. This allows ad networks to deliver targeted ads that they believe will be of interest to you. As a user, you may choose to set your web browser to refuse cookies, or to alert you when cookies are being sent. If you do so, note that some parts of the site may not function properly.

Sometimes, Creations by Kara may offer you links to other websites or may display advertisements, some of which may be affiliated with Creations by Kara, while others are not. I am not responsible for the contents of any websites created and maintained by others. Visiting any such third-party website page is at your own risk. Creations by Kara has no control of these third-party websites, nor does it guarantee anything in connection with these websites. Your use of these websites is voluntary, and your reliance on such information should be made only after independent review. References to commercial products or services within any other websites do not constitute or imply an endorsement by Creations by Kara, unless specifically stated.

Creations by Kara has the right to modify these terms, its services, including its website, at any time and without notice to you. Continued use of my services indicates that you have accepted and agree to be bound by the modified terms and services. Modifications will be effective the day they are posted unless a later effective date is indicated. Creations by Kara also has the right to terminate its services.
