

You've helped me to learn, and
you've helped me to grow.

You've taught me all of the
things that I needed to know.

This year has been great, it's
gone by in a flash.

As a way to say "thanks",
here's a bag full of CASH!

You've helped me to learn, and
you've helped me to grow.

You've taught me all of the
things that I needed to know.
